

Dorset County
Orchestra

FRIENDS OF THE ORCHESTRA

The orchestra committee has decided that the current Friends' scheme is no longer viable and we are therefore changing the way in which it operates.

From the start of the 2013/14 season the Friends' subscription will be £25 and, in return, a Friend will be entitled to a free ticket to each concert. Now that tickets are £10, we hope that this will be an appealing way in which to support the orchestra.

Current Friends will be contacted during September, but if you would like to become a Friend, please complete the form below, or contact us via our website:
